Dear Mr. Joseph Felix,

I had the privilege of experiencing the wonderful pilgrimage tour to the **HOLY LAND** during mid May 2013, which was conducted by your **M/s. Good shepherd Tourism**. A pilgrimage is the best way to discover the Holy Land and understand the Gospels, in its proper sense.

You, the proprietor of **M/s. Good shepherd Tourism, Tindivanam, Tamilnadu** had organised the tour and the network in such a way that everybody could get the full satisfaction in every respect namely, flight tickets, visas, Air-conditioned bus facilities, descent hotels, Holy Masses and food at the appropriate time. Your special care with an additional attention to the elderly persons gave immense satisfaction.

I personally thank you, Mr. Joseph Felix for your personal attention and may our Mother Mary and Lord Jesus shower their blessings on you to achieve heights in your services.

Best wishes and keep it up.

Place: **Bangalore, India.**

Dear Joseph Felix,

Three things flash in my mind after the pilgrimage.

The first, you are a robust and accommodative proprietor of **GOOD SHEPHERD TOURISM**. You will go a long way in this. You performed a good job in spite of your physical ailment.

The second feature of your ability is your capacity to organize. You have arranged well furnished hotels, luxury buses and covered the most important places of the Holy Land.

Lastly I appreciate honestly each and every member who partook in the pilgrimage. Their sense of equality, equanimity, piety, charity impressed me.

Bravo! Keep it up. May god bless al your future endeavours.

Thanks and Regards

Every time we land in the Holy Lands,
The almighty gives deep insights and
spiritual experiences and we are shaken
to our roots. Under the leadership of Mr. Joseph
Felix I had the opportunity of making a
pilgrimage to the Holy Lands a second time.
In the last time it was the passage to
Sinai that was inspirational, This time
around it was Golgotha that made me
humble and obedient.

I appreciate Joseph Felix
for his simplicity of approach, eagerness
not to miss a place and loving care
for the comfort of the group was outstanding.
The members of the group were obliging and
helpful.

Fr. M. Dominic Rosario, Parish Priest

I feel Mr. Joseph Felix has
taken this endeavor as an apostolic
work, and may God bless him abundantly
and may every member who sets foot
on the Holy Lands through his guidance
reap a rich harvest of the presence of the
Lord and His Word.

It is caring more than others think is safe
risking more than others think is wise
dreaming more than others think is practical
Expecting more than others think is possible
discover the biblical Israel. The holy land 10
days was a good and best experience. It went
off smoothly and fast. Visiting Jesus birth,
day to day endeavour, death places are
blessing voyages. Having seen passions of
Jesus are all heart scorching to watch.

For many the mediterranean coast is
itself a wonder, with many unspoiled
beaches despite their proximity to cities. But
away from the coast the country's diversity
truly astounds: in the south there is the
vast crater strewn emptiness of the negev
desert, while to the east, the death sea
beacons.
